本會計師依照中華民國一般公認審計準則查核時，運用專業判斷並保持專業上之懷疑。本會計師亦執行下列工作：

1. 辨認並評估會計報告導因於舞弊或錯誤之重大不實表達風險；對所評估之風險設計及執行適當之因應對策；並取得足夠及適切之查核證據以作為查核意見之基礎。因舞弊可能涉及共謀、偽造、故意遺漏、不實聲明或踰越內部控制，故未偵出導因於舞弊之重大不實表達之風險高於導因於錯誤者。

## REPORT OF INDEPENDENT ACCOUNTANTS TRANSLATED FROM CHINESE

To the Board of Directors of CHINESE NATIONAL FUTURES ASSOCIATION

***Opinion***

We have audited the accompanying balance sheets and property lists of CHINESE NATIONAL FUTURES ASSOCIATION (the “Association”) as at December 31, 2021 and 2020, and the related statements of activities, income and disbursements of cash and fund for the years then ended, and notes to the accounting reports, including a summary of significant accounting policies.

In our opinion, the accompanying accounting reports present fairly, in all material respects, the financial position of the Association as at December 31, 2021 and 2020, and the results of its operations and disbursements of cash and fund for the years then ended in accordance with “Regulations of Financial Treatment of Industrial and Commercial Groups” promulgated by Ministry of the Interior and Enterprise Accounting Standards and its interpretations.

***Basis for opinion***

We conducted our audits in accordance with the “Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants” and generally accepted auditing standards in the Republic of China (ROC GAAS). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the Code of Professional Ethics for Certified Public Accountants in the Republic of China (the “Code”), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Responsibilities of management for the accounting reports***

Management is responsible for the preparation and fair presentation of the accounting reports in accordance with “Regulations of Financial Treatment of Industrial and Commercial Groups” promulgated by Ministry of the Interior and Enterprise Accounting Standards and its interpretations, and for such internal control as management determines is necessary to enable the preparation of accounting reports that are free from material misstatement, whether due to fraud or error.

In preparing the accounting reports, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

***Auditor's responsibilities for the audit of the accounting reports***

Our objectives are to obtain reasonable assurance about whether the accounting reports as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ROC GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounting reports.

As part of an audit in accordance with ROC GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the accounting reports, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the accounting reports or, if such disclosures are

inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the accounting reports, including the disclosures, and whether the accounting reports represent the underlying transactions and events in a manner that achieves fair presentation.

The issues discussed by the governing body and the certified accountant covered all the items to be checked within the designated time frame as well as the major findings (including the significant internal auditing defects addressed during the checking procedure).
